PERSONAL EVALUATION

This section is an exploration of the gifts and talents that you might bring to the ministry of DayStar Adventist Academy. The Bible emphasizes that each member of Christ's 'body' on earth has been given spiritual gifts which are to be used in service to the church and the world (see 1 Peter 4:10, 11; also 1 Corinthians 12 and Romans 12:3-8). Whether or not a staff position becomes available to you, we hope that your consideration of the questions will stimulate a clearer perception of the value God has placed upon you and the type of ministry for which He has prepared you. We ask that you answer each of the following questions as candidly and personally as possible. This is an opportunity for you to share yourself as a person. So don't be concerned about formality in your writing style, or about including all the minute details of your developed thought. Rather, just sincerely share your personal responses to the question in the way that is most natural for you. If you need more space, attach an additional sheet of paper to the application.
